EXAMPLES of CLIENT SERVICES & PROJECTS

- Policy frameworks & agendas for nonprofit economic development & community development organizations
- Community planning campaign strategy development & implementation for coalition of community partners
- Site-specific equitable development campaign coordination
- Technical affordable housing, land use & planning assistance to local & state policy campaigns
- Integration of creative placekeeping strategies in community development organizations
- Strategic plans for nonprofit cultural youth services organization & coalition of equitable development organizations
- Policy, program and service design to support sustainability of community-serving small businesses in gentrifying neighborhoods
- Strategic agenda development for collaborative of philanthropy
- Operations planning for capital project under construction
- Executive coaching and team building

PREVIOUS PROFESSIONAL EXPERIENCE

Root & Rebound, Oakland CA **Feb 2018 – Jun 2018**
Director of National Initiatives
 Consulted with the organization to develop & initiate the organization’s first strategy for national expansion of its comprehensive legal reentry advocacy center model to high-need states across the country via state-specific research & assessment of legal landscape; cultivation of strategic partnerships with government, social service, & legal agencies; fundraising & development efforts to support expansion; creation of new state legal reentry resources outside of California; & monitoring, evaluation, & sustainability planning.

Auckland Council, Auckland NZ **Feb 2017 – Feb 2018**
Manager Land Advisory Services

Served as team's first manager following Auckland Council restructure. Recruited & trained team of 14 land use experts focused on securing, protecting & enhancing Auckland Council's public land, including 4,000 parks, for the public's benefit; oversaw the acquisition & disposal of Council owned land & ensured decisionmakers received quality expert land use advice; developed & improved processes & systems to facilitate efficient provision of services.

Little Tokyo Service Center, Los Angeles CA

Director of Planning & Policy Counsel

Dec 2014 – Jan 2017

Led Planning Department, including supervision of four Planning staff & implementation of community planning initiatives in the Little Tokyo neighborhood, & strategic local, regional & statewide policy advocacy efforts. Provided technical land use & planning support both at neighborhood level & to coalition partners within the region on anti-gentrification strategies.

Little Tokyo Service Center, Los Angeles CA

Senior Planner & Policy Counsel

Mar 2013 – Dec 2014

Implemented community planning & economic development policy initiatives, & advocate for local state policies that promote community self-determination, affordable housing, & community assets.

Public Counsel, Los Angeles CA

Staff Attorney, Community Development Project

Sep 2009 – Mar 2013

Advanced land use policies that facilitate production & preservation of affordable housing; represented community organizations in local land use policy campaigns; & filed litigation to enforce State affordable housing laws in local jurisdictions.

Public Counsel, Los Angeles CA

Equal Justice Works Fellow, Community Development Project

Sep 2007 – Aug 2009

Developed new affordable housing land use practice within Public Counsel's Community Development Project focused on advocating for production & preservation of affordable housing in various municipalities within Los Angeles County through State Housing Element Law, & other State and local land use policies.
